

# JACK SHAW

Jack Shaw is an Innovation and Change Management Strategist with more than 30 years' experience helping leaders transform their organizations' digital ecosystems amid new waves of technology.

A Global Thought Leader, he was voted one of the World's Top 25 Speakers and one of the Top Five Technology Futurists in polls conducted by Speaking.com. Jack has shared his insights and advice with nearly 300,000 of the world's top leaders and professionals.

Having a sensible, practical approach to how tomorrow's new technologies will drive change and spur innovation, Jack has advised key decision-makers at such Fortune 500 organizations as Mercedes Benz, Bosch, GE, Coca-Cola, Johnson & Johnson, IBM, Oracle, and SAP.

Jack integrates his executive experience in Industry, technology, and consulting to speak on Innovation, Change Management, and Transformational Leadership. And, he has decades of experience designing, developing, and implementing emerging technologies and how these will impact business and society.

This experience enables him to speak with unique perspective and a deep understanding of such current leading edge technologies as Artificial Intelligence, Blockchain, 5G, and the Internet of Things

Jack has delivered over 1,000 keynote presentations and executive forums in 26 countries and every state across the U.S. He is a Yale University graduate, and he holds a Kellogg MBA degree specializing in Finance and Marketing.
